В Советском Союзе — победить!

В Советском Союзе победа в Великой Отечественной войне была достигнута благодаря героическому сопротивлению советского народа и его вооруженных сил. Советский Союз стал ареной жестокой борьбы, в которой проявились все лучшие качества советского человека: мужество, смелость, самоотверженность. Советские воины и партизаны нанесли сокрушительные удары по врагу, уничтожив его как военную силу. Победа в войне была достигнута благодаря сплоченности советского народа и его верности своему Родине. Советский Союз стал примером для всех народов мира, которые борются за свободу и независимость. Советский Союз — это страна, где каждый человек имеет право на труд, на образование, на отдых. Советский Союз — это страна, где каждый человек имеет право на участие в управлении делами своей страны. Советский Союз — это страна, где каждый человек имеет право на мир и дружбу со всеми народами мира.
